forest with these persons who later got repatriated (f.i. Anna RAVOTSKE, 26 yrs  
or born 1924, from Daugavpils or now in Daugavpils; her husband was the manager  
of some dairy. Also a MEXCIS frau, an old man). His brother went (from Germany)  
to Great Britain; is in contact with the Communists there in order to get a better  
job. Arnolds OLDERS went to Sweden. Ella PIVOTKE, the sister of his wife, is

now in Denmark. (PS: Present name Drama MILITS, lives in USA)

There is no date given as to the time of these notes but bearing in mind what is written

about the Latvian partisans it seems that it is written in 1956. HERMAN SREDIN, SR/2, 12 FEB 1956

ROOM 2609, 11 E. 106.

Document 2  
in Latvian EXTENTION 854  
Handwritten notes about two Latvian refugees, presumably written by Agent

Alliga KIRKELIS - a singvr; has a 12 years old daughter. Has descended Capt.

KIRKELIS - that he has been police chief during the German occupation. KIRKELIS  
had found a photo which shows the s/n KIRKELIS during the Soviet occupation

(in 1944/45) participating at some demonstration, dressed in the Latvian flag  
colors, together with her little daughter. The husband of KIRKELIS is now

in (West) Latvia a director for approx. 40 shops (according to KIRKELIS).  
Her address: Wiesbaden, (Germany), Traunstr. 40. She is associating with some

American. (KIRKELIS KIRKELIS apparently works in USA (in New York))

RECORDED information indicates that this person is one of the most important

(Apgrabaltisse - in Latv.), JĀNĪTIS fm., who is now in Venezuela, has collaborated with the Communists while in exile. Now he has brought to Venezuela a (Latvian) LĀBIS fm., who has the same reputation. Both were (inmates) of the Mainz/Kastel camp (in Germany). **SECRET**

**My comments:** Alice ZIDELIS is now in New York, N.Y. and is well known among the Latvians there as a singer and TV actress; uses the stage name Alice LINN. Her daughter, too, participates at the TV shows.

#### Document XI:

A typed copy in German on three pages. Presumably a transcript of a Jewish organization in Germany: Federation of the Liberated Latvian Jews (Föderation der Befreiten Lettischen Juden - in German) - München 23, Kaiserstr. 61. It is a circular, asking for info about Latvian and German war-criminals who have participated at the persecution of Jews during WW II. It contains the names of 54 Latvians and Germans, who are marked by this Jewish organization as war-criminals. Additional info is asked about them and it is said that their addresses are known to this organization. The friendly attitude of this organization is shown by the following fact:

This circular states that during the last nine month 50 Latvians were able to immigrate in the USA, due to the activity of the Consulate General of USA in Münich but the ~~corresponding~~ number of the Latvian Jews were only two. The Jewish organization therefore asks for some derogatory info about these 50 Latvians, apparently in order to get them deported from the USA or to reduce chances of other future Latvian emigrants to the USA (besides, among those 50 persons there are Latvians of different origin, judging by their names). Here are the Latvian sounding names: KALNĪŠ Mārtiņš, Iaimenis and Anita (3 persons); MEDNIS Auņa-Anete;

GARBINS Agnese and Inara; **SECRET**

It follows a listing of 30 Jews from Latvia who presumably are members of the US Zone in Germany - It is said that persons abroad ( not in Germany ) are inquiring their whereabouts.

This circular ends with the names of such Latvian Jews who are known as living in US Zone in Germany ( presumably around 1948 ):
